Yoann Freget, a gospel choir leader and **Kim Macedo**, Flamenco dancer, musician and choreographer will be performing.

Yoann Freget is a great solo artist as well as a well-respected Gospel Choir leader. In recent years, Yoann has toured Europe (UK, Germany, Italy, France) conducting Gospel workshops as well as performing on stage with a variety of Soul, Gospel, Fusion and Jazz artists.

In 2010, Yoann visited India for five months where he studied Indian Classical Music with two famous artists and well respected gurus in their areas of musical expertise.

Kim Macedo, a new volunteer at HMC, spent a significant part of the last 5 years developing and learning the art of Flamenco dance in Spain and Canada.

Flamenco dance is an art form developed in Andalucía, a southern province of Spain, over a number of decades. In the last 60 years it has grown and changed to become an integral part of Spanish culture.

It consists of three components: the song, the dance, and the guitar. These elements compliment each other in creating a truly artistic display.
